WORTHY RECOVERY, INC dba WORTHY WOMEN TRANSFORMATION A BIBLICAL DISCIPLESHIP RESIDENTIAL MINISTRY FOR WOMEN

MISSION: Worthy Women Transformation is a non-profit, Christ-centered ministry for women desiring freedom from addiction through biblical discipleship. Romans 12:2 **501c3 Donor Funded**

Worthy Women Transformation has had 8 residents since we reopened in September of 2024. WWT exists to be the hands and feet of Jesus to women desiring salvation and sobriety and **the battle is real.**

Being a biblical discipleship program is **MORE WORK**; the workbooks and classes consist of one volunteer teaching one resident, and staff working with each resident, one on one. Our greatest challenge is “time”; one on one learning requires a lot of staff time, in all of their learning. **HOWEVER**, residents are learning to walk away from addiction (idolatry), how to THINK with a new mind, according to biblical principles. The transformation takes a long time. TIME, it takes so much redirection, staff time. Truly it takes about 4—5 months for residents to apply scripture and new behavior. Currently, 80% of our residents are high school dropouts; they are intelligent, however they need help reading, understanding, comprehending, believing, listening, responding instead of reacting, sinning less (much less sin, please), becoming honest, being truthful, stopping manipulation, trusting, doing, cleaning, cooking, resting, BEING STILL, etc.

We also teach them: volunteering to learn job skills, to be financially responsible and to give, to honor and respect their bodies, to stop gossiping, to honor authority, to OBEY GOD’S WORD.

Katie Galloway works part-time (three days a week) as the Worthy Women Discipler. She is also training as a Biblical Addictions Counselor. She is a ministry partner, if it needs to be done, she squeezes it in. We need one more “KATIE” but she is one of a kind! We hired Resident Dauna Rodgers as the full-time WWT House Manager. She will graduate WWT on June 11, 2025. She earned her GED in February of 2025 in just three weeks! She is paying her legal fees, child support, and reinstating her license. She is reconciling with her daughter. We recognized some critically, important qualities about Dauna: She reads and applies the bible. She is the second resident who has NEVER told a lie. She is intelligent. She has integrity. Everyone who has known her, sees the change, the light of Jesus. This is a new career for Dauna; she wants to help our residents and I am grateful. We need two more staff, so I am asking for specific needs: Our 2025 budget this year is \$247,757, and we raise about 60%, and I absorb the expense in staff hours. We want to balance WWT with two overnight staff and less of me (50 hours a week instead of 80-90), since I am 60 on April 28.

EVENTS: Will you buy some PORT-A-PIT on April 26? Will you come on May 2nd and hear Dauna brag on God? Listen to Julie talk about adjusting to life at WWT **after 15 years in prison**? We have more ladies coming in the next two months, and we need you, your generosity, your prayers, your investment in our impact!
